

CALLING ALL MOORISH AMERICANS!

THIS IS A CALL TO ACTION

Regarding our young Moorish-American Brother

Mansur Ball Bey

Last week we learned that one of our own was gunned down by the police in St. Louis. Brother Mansur Ball-Bey [18 years old] was shot once in the back and killed in his FEDEX work uniform after stopping by his cousins house after work during a police raid. An autopsy showed that he was shot once in the back. Investigators are still putting together the facts of the incident at this time. His family and witnesses suspect foul play. As you know the country has been plagued with cases of increased aggression between police and Asiatics resulting in horrendous casualties of both young and old, men and women.

While his Grand Sheik and Temple officials coordinate to take action, we are aware that many of the Moors are looking to aid, assist and show support for our fallen brother. WE ARE CALLING ON EVERY MOOR TO WRITE TO THE GOVERNOR OF MISSOURI and Cc Attorney General Loretta Lynch. Email or printout your letter from a computer, type it on typewriter and send via regular mail. You can even hand write your message neatly on line paper. Do whatever you can do best but let the Governor know that our brother was a Moorish American who has a nationality! He was a follower of Prophet Noble Drew Ali. He should NOT be referred to, or considered as black or a Blackman, African-American or any other name that the Holy Prophet and our Divine Constitution and By-Laws tell us delude to slavery! Our goal is to flood his office with hundreds or thousands of letters of support! This concentrated effort will put the Governor on notice in a very effective way.

Your letter can be long and powerful or short and sweet, but please show your support ASAP. We are looking for your letter to be mailed out immediately! This unfortunate incident MUST send a clear message to law enforcement agencies across the country that Moors WILL NOT ALLOW our brothers and sisters to be terrorized and this time JUSTICE WILL BE SERVED! Please include the following coordinated points:

- 1- Mansur Ball-Bey WAS a Moorish-American member of the MSTofA
- 2- He WAS NOT a Blackman or African American
- 3- Give him a fair and thorough investigation
- 4- We are demanding justice for our dear brother
